3rd November, 2009

Dear Dr. Venkataratnam,

Greetings and Heartiest Congratulations!

Having been declared eligible for participating in the AMDISA SAQS Accreditation exercise in the year 2005; having prepared Self-Assessment report based on the SAQS criteria and quality parameters; based on the report and recommendations of the Peer Review Team; the response of International Management Institute to the observations and expectations of the Peer Review Team; and the subsequent vetting by the SAQS Accreditation Awarding Committee on 2nd November, 2009, AMDISA has decided to **award SAQS Accreditation to International Management Institute** for a period of **five** years. This will entitle International Management Institute to use the “**SAQS Accredited**” quality label.

The Peer Review Team as part of its conclusions and recommendations has stressed some aspects and made recommendations. It is expected that International Management Institute will suitably address the concerns of the Peer Review Team which will be reflected in the mid-term progress report due within 30 months of this accreditation.

“**SAQS Accredited**” is a quality label which assures that International Management Institute has in place continuous quality improvement system benchmarked with leading global schools in the world. It stipulates that International Management Institute will submit a progress report after 30 months (May 2012) and seek re-accreditation in 2014. AMDISA expects International Management Institute to uphold the quality standards enunciated by AMDISA.

AMDISA SAQS AWARD will be formally given to International Management Institute in a public ceremony at a later date.

Warm regards,

Yours sincerely,

M. Rammohan Rao
